BEN. BRAGG.

MORGAN county was recognized by
Governor Bushnell in the appointment
of John Tysinger as Deputy Shop In-
spector for the Seventh District.

THERE is still time for the announce-
ment of a few more candidates for the
Republican nomination for Sheriff, but
if the list increases materially the
"Standing Room Only" sign will have
to go up.

EX-PRESIDENT Harrison did not make
his expected speech in the Indian State
Convention and the Hoosiers indorsed
McKinley without qualification. Years
ago Harrison made a reputation upon
his ability to see through a brick wall.

THE trial of Scott Jackson, charged
with the murder of Pearl Bryan, has
come to a close at Newport, Ky., and
the fate of the defendant is in the
hands of the jury. The consensus of
opinion is that the State has failed to
make a case of murder in the first de-
gree, though the chain of circumstan-
tial evidence is sufficiently strong to
justify conviction of involuntary man-
slaughter, which is punishable by im-
prisonment for not more than 20 years
nor less than one year. An acquittal
is not looked for.

High School Commencement.

The exercises of the fifth annual

Indiana A. P. A.'s Object.

INDIANAPOLIS, Ind., May 8.—Resolu-
tions signed by D. McCallin, chairman
of the A. P. A. executive committee of
Indiana, have been given out to the
effect that Indiana A. P. A. do not ap-
prove of the attack made on McKinley
in the name of the order. The Indiana
A. P. A.'s support McKinley.

Manager Diddleback Suspended.

St. Louis, May 8.—Manager Harry
Diddleback, of the St. Louis Browns,
was suspended Friday morning. It is
alleged that he was considerably inebri-
ated on the race Thursday night, and
began celebrating. He did not show up
Friday morning, and it is said Aris
Latham will take his place.

IN THE OIL FIELDS.

In the Miller well on the Bell farm,
in the Sand Hill field, was lost a string
of tubing two months ago, and it was
recovered two days ago. The well will
go down to the Berea grit.

The Boston Oil Co. on the Hutchin-
son farm, two miles north of the Sand
Hill field, cased off the salt water Mon-
day, and the operations will proceed
down to the Berea.

H. B. Beymer has organized a com-
pany for oil in Meigs township, Mus-
kingum county. A. W. Nicholson,
John A. Bliss, J. E. McClelland, W. B.
Cosgrave, John T. Nicholson, John C.
Beckett and H. B. Beymer compose
the company.—Guernsey Times.

Sistersville, W. Va., May 7.—Shay &
McMullen are progressing nicely with
their No. 3 on the Dan Weekly farm,
also their No. 1 on the Jack Weekly
farm, out near Wick, and expect to
reach the pay by Saturday.

T. N. Barnsdall's well on Rock run,
in the St. Mary's district, came in to-
day and will make in the neighborhood
of a 40 barrel producer.

Mr. F. S. Henry, president and gen-
eral manager of the Henry Oil Com-
pany, is in Pittsburgh.

G. T. Bunnell is making daily trips
to St. Mary's looking after his interests
in that field.

J. A. Kennedy received to-day two
complete rigs to be placed on the Mills
tract, in Wetzel county.

C. S. Watson, of the Victor Oil Com-
pany, who has been in the city for the
last three days, purchasing the neces-
sary articles to push the extensive
work they have under way in this field,
left this morning for the seat of opera-
tions. They have two more wells in
the neighborhood of Wick that they
expect to make producers.

The Devonian wells Nos. 1 and 2, on
the Wm. and Doc. Staley farms, on In-
dian creek, have flowed exactly 1,301
barrels in the last 24 hours. Their well
No. 2, which was agitated late yester-
day afternoon and reported as making
135 barrels per hour, has evidently de-
creased considerably, as the two wells
only gauge 55 barrels per hour. We
have it from a very reliable source that
the well was not agitated, as reported,
but that it will be drilled deeper this
evening or to-morrow morning, and
prospects are good for an immense flow
of the entrancing liquid.

Since the Waynesburg Oil Company
has started a well near Belleville,
Wood county, a large number of people
in this city who were lucky in leasing
in that vicinity have or intend to take
up some land in the immediate vicinity
of the well the above parties are sink-
ing, and wish for a lucky strike like
others they have had.

Ramey & Sullivan's well, in the Rog-
erson field, near Moundsville, was drilled
through the sand last night and is dry.
The well is located 550 feet south-
west of the big Rogerson producer, and
the drill was sent down to 767 feet.

The Newland well, in the Colerain
field, took a spurt yesterday at noon
and made a flow of about 60 barrels in
forty minutes, and then subsided to its
usual amount. Preparations are being
made to pump it.—Wheeling Register.

OIL PLANT SOLD.

Lima, O., May 7.—The Standard Oil
company today took possession of the
Century Oil company's refinery, which
places the Standard in complete pos-
session of the lower oil fields. The
Century's plant was placed in the hands
of a receiver a short time ago and was
purchased by John E. Borne, of New
York, who has now turned it over to the
Standard.

The Moundsville Echo says: "The
news from the 'Big Alex' well this
morning is that the gas is too strong
for the pump valves to work, conse-
quently the well does not pump regu-
larly, but she is making the accumula-
tion in the tank that gives her a good
rating. A prevalent opinion among
operators is that the 'Big Alex' is
close to the gas antinodal and wells
put down farther east, will probably
come in more gas than oil. The North
Penn. No. 2 seems to be in a streak of
bad luck. About the time they got
the hole cleared of a broken rope, they
broke a stem, and will be delayed for a
week or two making repairs. A repre-
sentative of L. L. Thomas & Co., of
Mannington, is here today. They have
closed up 944 acres and will start a rig
on the Woodruff lease, northeast of the
producers, tomorrow. From what can
be learned from Jolly Bros.' well, on
Tom's run the last string of casing is
going in today. The Calhoun well, on
the Gallagher farm, is still churning
the tools on iron. They expect to drill
it out and clear the well in a short
time.

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
facturer's Agent, Columbus, Ohio, cer-
tifies that Dr. King's New Discovery
has no equal as a Cough remedy. J.
D. Brown, Prop. St. James Hotel, Ft.
Wayne, Ind., testifies that he was cured
of a Cough of two years standing,
caused by La Grippe, by Dr. King's
New Discovery. B. F. Merrill, Bald-
winsville, Mass., says that he has used
and recommended it and never knew it
to fail and would rather have it than
any doctor, because it always cures.
Mrs. Hemming, 222 E. 25th St., Chic-
ago, always keeps it at hand and has no
fear of Croup, because it instantly re-
lieves. Free Trial Bottles at W. H.

His Expenses Were Fifty Cents.

UPPER SANDUSKY, O., May 8.—Prob-
ably the smallest expense account filed
by any candidate in the state is that of
J. M. Wilcox, republican nominee for
clerk of the courts. Fifty cents for
dinner on the day of the convention
was all that he expended.

Delphos in a Bad Way.

DELPHOS, O., May 8.—The city treas-
ury is depleted, and the council has or-
dered the street electric light service
out off. Citizens are indignant, and
ladies are afraid to venture out after
dark without an escort.

they'll do you every time.

other. We think we have found the best way to obtain
it. Do you know what our way is? We will tell you. We
buy our goods as low as anybody and sell them at an
honest margin of profit. We don't pretend to give you
twice the value for your money, but do and will give you
all the value your money calls for. When you attempt
to get something for nothing you are sure to get nothing
for something. Now we have a full line of Men's, Boys'
and Children's Clothing, Hats, Caps, Shirts, Underwear,
Valises, and everything in the line of Men's Furnishings
that you possibly can want. We don't handle the cheapest
stuff in quality but the cheapest in price. We fully be-
